19th March 2020

Dear Parent/Carer,

Arrangements for Monday 22nd March 2020 for key workers

Following the announcement made by the Prime Minister regarding school closures for the majority of students, we are looking to make arrangements for the minority of students who may wish to come to school. This will of course depend on the staff I have available to open the school. We are in discussion with the Local Authority and other schools about other arrangements that may have to be made should this be the case.

We will make arrangements from Monday for families who have parents or carers that fall into the key worker categories the Government will announce later this afternoon and where there is no possibility of making alternative arrangements.

We anticipate that this will include the following groups of pupils:

Children where both parents work in the NHS, Police, Fire and Ambulance services, Armed Forces, Social Care, staff working in education or essential delivery services.

In order to assess the level of need for these emergency arrangements, we are seeking an urgent response from parents who meet the criteria above. **This information will be subject to change once the Government have confirmed the Key Worker groups today.**

Please email admin@stccg.co.uk if you think that your daughter will be attending school on Monday 20th and potentially beyond. The initial curriculum will be working on the work sent home to your daughter, but in computer rooms, until we get a better sense of what will be happening and the staff we have available.

Please send a response to this email to admin@stccg.co.uk by copying this below and emailing back.

Yours sincerely,

Mrs Penny Johnson
Associate Headteacher
