Catholic School**

Scheme of Delegation

2021/22

St Catherine's Catholic School is a standalone academy, a company limited by guarantee and a charitable trust. Responsibility for the Academy and for the funds granted by Parliament for providing education in it, is entrusted to the Board of Trustees. Trustees are also the Directors of the company and Governors.

The Board of Trustees is accountable in law for all major decisions at the School. However, this does not mean that the Board is required to carry out all the Trust's governance functions and many are delegated, including, for example, to the Headteacher/AO and the Board's committees. It is vital that the decision to delegate a function is made by the full Board of Trustees and is recorded. Without such delegation, the individual or committee has no power to act.

Our strategic and operating model should not be considered fixed. It will adapt in response to the scale and performance of the School. The functions the Board has delegated is based on these factors and the way in which leadership is structured.

The Scheme of Delegation (SoD) is the key document defining the lines of responsibility and accountability in the School. It aims to be a simple, yet systematic way, of ensuring that the Members, Trustees, the Headteacher and others are all clear about roles, responsibilities and authority. This overarching SoD for decision making in the School should not be confused with the written scheme of delegation of financial powers referred to in the Academies Financial Handbook.

Status of Scheme of Delegation

The Board has the power to appoint and/or remove committees at any time

A Scheme of Delegation must be fit for purpose, which means it demonstrates clearly the lines of accountability.

Format, structure and clarity

This SoD aims to clarify decision making and lines of accountability in a simple, succinct and clear format. It includes a grid of the four key areas to reflect both the governance framework and the three core functions of the governing Board:

1. The governance framework
 - a. People
 - b. Systems and structures
 - c. Reporting
2. Being strategic
3. Holding to account
4. Ensuring financial probity

Review

The SoD is intended to be a working document that both Board and senior leaders are able to revise and adapt in response to their context and circumstances.

The SoD will be reviewed annually, with changes made as the context changes, if necessary, each year. This is not a failure, but recognition of the need to be responsive to changing circumstances and to adapt accordingly.

This scheme of delegation will:

- Promote a culture of honesty and accountability
- Ensure the senior leadership team is clear about which decisions the Board have responsibility for
- Identify responsibility for the appointment and performance management of the Headteacher/AO and senior staff
- Ensure that the role of the senior leadership team is fully understood throughout the school
- Identify responsibility for policy and practice
- Identify responsibility for oversight of educational performance in the school
- Ensures that the school's Catholic vision continues to inform its provision, relationships and outcomes
- Identify responsibility for oversight of the school's budget
- Identify responsibility for assessment of risk in the school

Governance structure:

- The Board of Trustees is responsible for the three core governance functions
- The Board of Trustees appoints the Headteacher/AO, to whom it delegates responsibility for delivery of its vision and strategy, and will hold the Headteacher/AO to account for the conduct and performance of the School, including the performance of the School and for its financial management
- In turn, the Headteacher/AO line manages other senior leaders, setting their targets and performance managing them
- The Board constitutes committees for business and compliance (including finance, audit & risk), admissions and pay & staffing.

Roles and responsibilities

Members

The Members of the Trust are guardians of the governance of the Trust and as such have a different status to Trustees. Originally, they were the signatories to the memorandum of association and will have agreed the Trust's first articles of association (the legal document which outlines the governance structure and how the Trust will operate). The articles of association describe how members are recruited and replaced, and how many of the Trustees the Members can appoint to the Trust Board. The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. Accordingly, the Trust Board submits an annual report on the performance of the School to the members. Members are also responsible for approving any amendments made to the Trust's articles of association.

There must be at least three Members, although the DfE prefer at least five. Members are not permitted to be employees of the Trust.

Directors/Trustees/Governors

The Trust is a charitable company and so Trustees are both charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and company Directors. Because Trustees are bound by both charity and company law, the terms 'Trustees' and 'Directors' are often used interchangeably. They are also the Governors of the school.

The Directors/Trustees/Governors are responsible for the general control and management of the administration of the School, and in accordance with the provisions set out in the memorandum and articles of association and its funding agreement, it is legally responsible and accountable for all statutory functions, for the performance of the School, and must approve a written scheme of delegation of financial powers that maintains robust internal control arrangements. In addition, it must carry out the three core governance functions:

1. Ensure clarity of vision, ethos and strategic direction
2. Hold the executive to account for the educational performance of the School and their pupils, and the performance management of staff
3. Oversee the financial performance of the Trust and make sure its money is well spent.

The role of Board committees

The Trustees may establish committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the Trust Board. The membership and responsibilities of Board committees are set out in the committee's terms of reference. The Trust Board must appoint Board committee chairs and committee members according to their skills.

As the composition of the governing body at St Catherine's is currently small, the majority of academy business is carried out by the full governing body. However, the following committees are in place and hold key responsibilities:

- Finance and Resources with Audit, Risk and Compliance
- Curriculum and Standards
- Pay and Staffing
- Admissions
- Head Teachers Performance Review

The role of the Headteacher/AO

The Headteacher/AO has the delegated responsibility for the operation of the School including the performance of students and so the Headteacher/AO oversees the performance management of senior leaders in the School.

The Headteacher is the Accounting Officer so has overall responsibility for the operation of the School's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability, avoiding waste and securing value for money.

The Headteacher/AO leads the senior leadership team of the School. The Headteacher/AO will delegate executive management functions to the senior leadership team is accountable to the Trust Board for the performance of the senior leadership team.
